Portfolio

## SUMMARY

Front-End Developer with a strong foundation in React, JavaScript, and modern UI/UX principles. Over a year of hands-on experience building responsive, high-performance web applications that include animations (GSAP, Framer) and interactive designs.

## EDUCATION

**Shri Ramdeobaba College of Engineering and Management**

08 2019 – 08 2022

*Bachelor of Engineering (BE) in Electronics Design Technology - CGPA - 7.4*

*Nagpur, India*

## EXPERIENCE

**Assistant Manager at Reliance Jio Platforms Limited**

June 2022 - August 2023

*Role - Manual QA Engineer*

*Mumbai, Maharashtra*

- Performed manual testing for products such as [Jio.com](#), [MyJio](#), [JioCinema](#), and [JioSaavn](#).
- Conducted API testing using Postman to validate backend functionality and ensure data integrity.
- Designed and executed detailed test cases to identify bugs and improve software quality.
- Participated in regression, UAT, functional, and system testing to ensure seamless user experiences.
- Documented and reported issues using defect tracking tools for efficient resolution.

## PROJECTS

**Reshape Studios** | [React.js](#), [Sass](#), [Node.js](#), [Express.js](#), [Mongo.db](#), [Framer-motion](#)

09 2024

- Designed and developed the **entire UI/UX** for the website.
- Built a **custom responsive front-end using React**, implementing reusable React components for scalability and maintainability.
- Developed a custom **secure admin login system** with authentication to manage access.
- Created an **admin dashboard** to track and manage contact form submissions efficiently.
- <https://www.reshapestudio.in/>

**ANCI Nagpur** | [React.js](#), [Tailwindcss](#), [Node.js](#), [Express.js](#), [Mongodb](#), [GSAP](#)

11 2024

- Designed and developed the **entire UI/UX** for the website.
- Built a **custom responsive front-end using React**, built micro animations using GSAP implemented reusable React components for scalability and maintainability.
- Developed a custom **secure admin login system** with authentication to manage access.
- Created an **admin dashboard** to track and manage contact form submissions efficiently.
